**RE: Wally n' Bee's Last Stop Resort property acquisition**

Dear Mr. Healy,

On February 22<sup>nd</sup>, the Public Works Committee met and discussed the property acquisition of Wally n' Bee's Last Stop Resort and your response to our request for a \$250,000 financial contribution sent to me on February 17, 2017. Your response at that time indicated that your Board was in favor of contributing \$50,000 towards the land acquisition over the course of five (5) years. This letter is to inform you that our Committee has discontinued movement on this project at this time due to a lack of financial contributions from other stakeholders.

Please convey my appreciation to your Board for the consideration and public discussion that occurred around this topic and for graciously allowing the County an avenue to present this project. We look forward to our continued working relationship with Richfield and hope to have an opportunity to discuss this or other partnerships in the future. If you have any questions or if any changes should arise, please feel free to contact me directly.

Sincerely,

Jamie Ludovic  
Central Services Director
